

# Global Compact Policy Statement

It is the Global Compact Policy of LICEngineering to follow:

The UN Global Compact's ten principles in the areas of human rights, labour, the environment and anti-corruption enjoy universal consensus and are derived from:

- We will support and respect the protection of internationally proclaimed human rights.
- We will ensure that we are not complicit in human rights abuses.
- We will maintain employees' rights to organize and to recognize their right to collective bargaining.
- We will actively fight all forms of forced labour.
- We will actively fight child labour
- We will eliminate discrimination in the workplace.
- We will support a precautionary approach to environmental challenges.
- We will undertake initiatives to promote greater environmental responsibility.
- We will encourage the development and diffusion of environmentally friendly technologies.
- We will work against corruption, including extortion and bribery.
